

II VISHWA VIDYAPEETH II

विश्वविद्यालय

CBSE

2019 - 2020

Director's Message

Dear Parents,

Education is the biggest wealth that each one of us can hand over to our coming generations. The year 2018 marked the beginning of an era as the gates of Vishwa Vidyapeeth School opened to cater to a new curriculum. This institution was created with an objective of retaining and promoting our rich Indian culture and tradition. The philosophy of the school has remained intact over the years and we try to emphasize on character building, leadership, extra and co-curricular activities along with academics. Over the past 7 years we have successfully made a mark in ICSE schooling and now we look to make the same mark in CBSE curriculum with a very strong, dedicated and capable team of educators who will become the driving force in the growth of the school. Our school accepts and respects every student. We expect our students to be independent to stand on their own feet in the future. So we are very keen on building the “guru shishya parampara” for the right equation between teachers and students through which the latter could experience love and dignity as well as cultivate their self-respect, self-discipline, self-confidence, respect for teachers and respect for the value of a hierarchy of elders and youths. We pursue our goal of ensuring every day of your child in the school enriches him/her in one or other way with best quality education. In the future, we still need your continuing support for the philosophy of education of Vishwa Vidyapeeth on which we strive for the developments of students' knowledge and talents.

Mrs Suseela Santosh
Director

Dear Parents,

A very warm welcome to all!

I am overwhelmed to share my thoughts through “Vishwa Lekhana” with you.

As it's my first year in Vishwa Vidyapeeth , its my pleasure to let you know that extremely happy working with the organisation. In my 25 years of experience it was a dream to work in a school that gives importance to our own Indian culture, this inspires me to the core as we get the opportunity to radiate the rich culture and great values to our next generation. The fact of being a part of this school itself amazes me and our team.

Firstly, would like begin by expressing our heartfelt feelings as a whole school, we the teachers fraternity and all staff are very happy to have a wonderful experience of schooling this year with all of you and our loving students. Our first term has successfully completed and we hereby appreciate your cooperation and involvement in walking hand in hand to make this term a successful one. Now we are all set and excited to step into second term. We look forward for your continuous support and good will as always.

For many, school is just a place to learn , for us its beyond that , we focus on all the areas of development which shapes the child first into a good human being with the right attitude to live life joyfully.

Disciplining the mind and the action through building a connection with our children is our core value and we all are very enthusiastically involved in guiding our students to learn this core value to explore the avenues of success in their life.

Together we shall put efforts to build beautiful citizens who we shall be proud of in shaping this world into a peaceful healthy place for all us to live in with pride.

As I truly believe Intelligent plus character – that's the true goal of education.

Ms Babitha Viswanathan
Principal

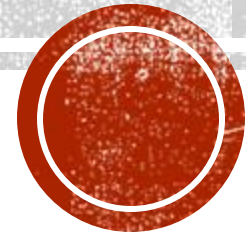

Principal's
Message

The Year began with...

PARENT ORIENTATION PROGRAMME

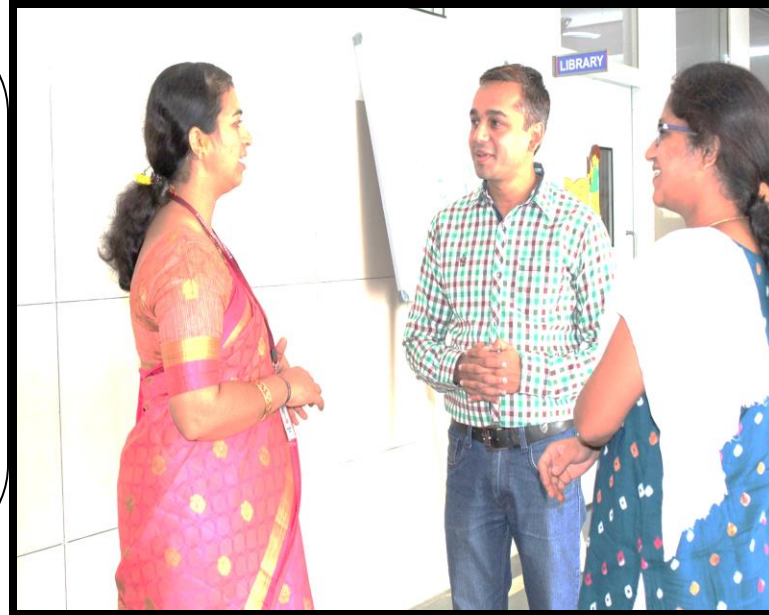

The academic year began with the orientation day hosted by the heads of the school for our parents. It was indeed a very informative programme for the parents which dealt with all the areas of the school. Similarly, a student orientation programme was also held for all grades in understanding the school's Mission, Vision and it laid the expectations for the students in Vishwa Vidyapeeth.

We had a full house of parents. Appreciate their participation and thank them for being very cooperative through the term !

INTRODUCTORY PTC

Parent teacher conference. Parents had good update on the academic levels of the child at the very beginning and were given strategies to handle the discipline concerns of their child. Partnering with child, school and parents works magic !

ASSESSMENT AWARENESS PROGRAM

A special programme on understanding the assessments for the year was presented by our Principal Ms. Babitha Viswanathan. This gave a clear understanding on the assessments for all Grades. It began with the first prior assessment, followed by the various skills based assessment for both Term 1 and Term 2. It was very informative.

Student Council

Students' council: Students were educated on their responsibilities as a member of the student council. They proudly pledged the oath and were pronounced members of the student council by the Principal. It was indeed a very proud moment for our students.

The members of the student council : Head Boy : Akshay V – Grade 8 Head Girl : Shreya Sharma - Grade 8 Sports Captain – Bhoomika C Gowda– Grade 8 Prefects In charge of the respected houses: Atri – Tejomurtula Sri Sai Srivatsa – Grade 6 Bharadwaja – Vipul D Choudhary - Grade 7 Vasishtha – Sai Lasya Kommineni - Grade 7 Vishwamitra – Shreya M - Grade 8.

SHREYA SHARMA HEAD GIRL

Shreya being a talented, super active and well disciplined child. She sincerely works towards the school's vision. She is a very good orator and excels in all co-curricular activities and balance herself well in academics.

AKSHAY. V HEAD BOY

Akshay truly a sportsman. Has done full justice for his position. Calm and composed in nature. His wittiness has always added positiveness to his personality. He excels in all areas, is creative and passionate about sports.

A very subtle and calm natured girl takes her responsibilities well. She is a very sportive child with positive nature. Her co-operative and openness is well appreciated by all teachers and the student council. She is an ideal student with good sense of balance and sportsmanship.

BHOOMIKA C GOWDA SPORTS CAPTAIN

The teacher fraternity and discipline committee along with the school are proud having them.

DAY 1 AT VISHWA VIDYAPEETH

It was an exciting and fun filled day both for the teacher's fraternity and the student's community. We started our day welcoming all our students for the new academic year with heartfelt smiles and a traditional "**Namsakara**". The day began with the school assembly, an introductory period "**getting to know each other**" was exercised and later followed by snack and lunch. The whole day was filled with Fun activities keeping the children occupied throughout the day, making it a memorable day for all at Vishwa Vidyapeeth.

Special Assemblies

Every Friday's students get the opportunity to participate in the Special assemblies where interesting skits, dance and presentation give way for children to showcase their talent and public speaking skills.

CLUBS

English enrichment
Physical wellness
Stem
Sewa
Science

The club activities bring great opportunities to be aware and explore the world. Our VVP'ians gain more knowledge, informative ,grooming them into a better generation.

CO-CURRICULAR ACTIVITIES

It is a great platform for our children to explore the world and gain understanding about all the things. It provides holistic development in each and every child.

Bhagavad Gita Competition

Students exhibited their talent in chanting the shlokas of 5th chapter organised by Sandipani Gurukula on 12th Oct, 2019. Our children won the participation certificates and were highly appreciated by the judges.

Yoga Competition

Events

The 5th National Yoga Championship was held on 18th August, 2019 at Freedom Park, Bengaluru. The shortlisted students were trained by Yoga master Mr. Manjunath. A wide range of schools had participated. Our students won medals and certificates for Grades A & B levels. Lakshmi Anhithi of Grade 4 secured 1st place in own choice Yogasana championship and Sakthi Vinodhini of Grade 5 secured the 1st place in Athletic Yogasana Championship and are set for the next level of competition in Malaysia. The school appreciates all the participants for their achievements and bagging the trophy for our school.

National Sports Day

National Sports Day was celebrated with great enthusiasm and sportsman spirit. Various sports events were conducted namely; *Tug of war, Relay races, Obstacle races* and so on... Children participated with great spirit and received certificates from our beloved Director Ma'am Mrs. Suseela Santhosh. A special talk by PE instructor Ms. Sandhya K. K on importance of the day and on the great legend Mr. Dhyan Chand was shared.

DUSSEHRA CELEBRATION

The Dussehra festival popularly known as “Navaratri”, was celebrated grandly making our day very auspicious. Teacher had decorated the “Golu Steps”, with all the wooden and stone dolls contributed by our students. Teachers hosted the program, our Principal inaugurate the program by lighting the lamp followed by the teachers singing the traditional song, “Lighting the lamp”.

All teachers chanted the powerful shloka “AIGIRI NANDHINI MATHA DURGA SHOTHRAM ” which filled our souls and hearts with a divine power and grace . All children performed an energetic and vibrant, Dandiya Dance that motivated our teachers and they joined them in the Dhandiya.

TEACHERS DAY

The VVP'ians made us all proud with an amazing program presented by the student community. Our Director Ms. Suseela Santhosh inaugurated the program. Heart throbbing thoughts were shared by representatives of every grade. A thought provoking skit and an amazing dance was presented by Grade 7 and 8. Certificates were awarded, appreciating the teachers. Students showed their gratitude by presenting their decorated cards to their teachers as a token of gratitude. A lovely thank you song was sung by Grade 6 to 8 which moved our hearts off. An inspiring speech was presented by the Director and Principal to motivate the teachers.

TEACHERS WORKSHOP

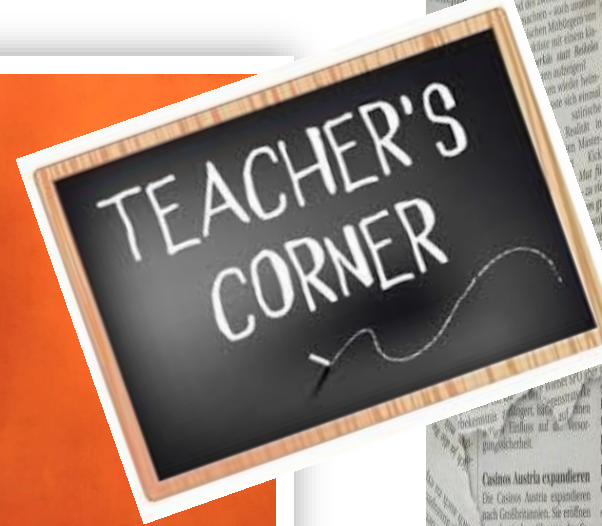

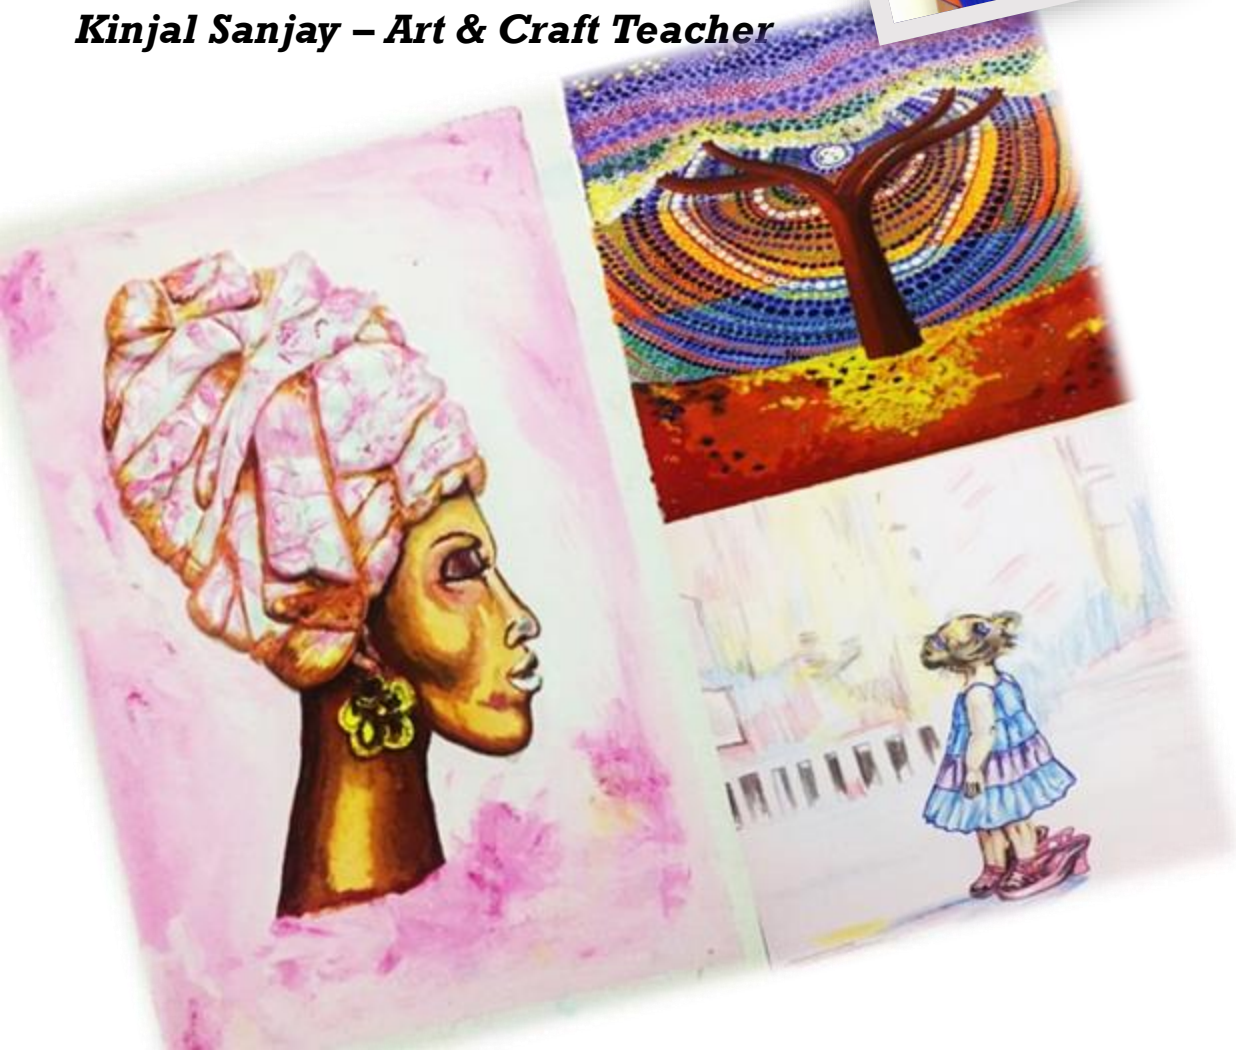

Professional Teacher's workshop was conducted to enhance the skills and the teaching learning practice among our teachers. The teachers had fun experiencing themselves in the shoes of the student's. As we believe great learning will come to those who are open to learning. Our lovely bunch of teachers were open to learning and re-learning the ways of teaching.

Teaching art is a passion and a way of life! The inquisitiveness which students show in their learning inspires me to facilitate the class more creatively each time.

Kinjal Sanjay – Art & Craft Teacher

Passionate to the core about sports I'm here at VVP ! Hockey is my best sport. I've played more than 35 Nationals and 6 All India University. It's not about winning and losing; it's about the continuous hard work to thrive on a challenge. That's what I want to share with our kids! Be a sport!

Sandhya. K..K –PE Teacher

Yakshagana!

When I was doing my masters at that phase of time my passion towards “**Yakshagana**” grew. I performed a male characters which inspired many. That opportunity increased my love for “Yakshagana”.

Meghana. B P - Librarian

Creative Minds!

Its my passion to draw and I love working my with hands these are a few of my piece of work

ONAM CELEBRATION

VVP'ians had a special assembly presented by Grade 4. They enacted the story of King Mahabali and Lord Vishnu in his Vamana avatar. The teachers were all draped in traditional Kerala attires and prepared the "**Pookalam**" which is a significant part of the occasion , a beautiful lamp was lit ,lord Krishna idol was placed , we chanted shlokas. It was an amazing sight.

A special presentation by the teachers depicting the significance of the day was shared to all the students.

ART & CRAFT COMPETITION

Art and craft is an integral part of our schooling. We truly believe children express themselves through art. Every child is creative in their own way. Our teacher Ms. Kinjal Sanjay has provided a wide range of art and craft engagements for the children to fine tune their skills in creativity.

Organic Farming

Organic Farming a special feature of our school bringing our students closer to nature and involving them in the joy of harvesting!

Field Trips

Fire station

Field trips are on one of the most exciting days for our children. Grade 1 & 2 visited the Fire station, Yelahanka on 21st August, 2019.

They learnt about different types of fire, the equipment, how to extinguish different types of fire. Students were very keen to know how they function. Fire officers took time from their busy schedule and explained about the fire station in detail.

As a gesture of gratitude, teachers and students presented them a card prepared by the teachers and students and gifted it to thank them for always being there for our safety.

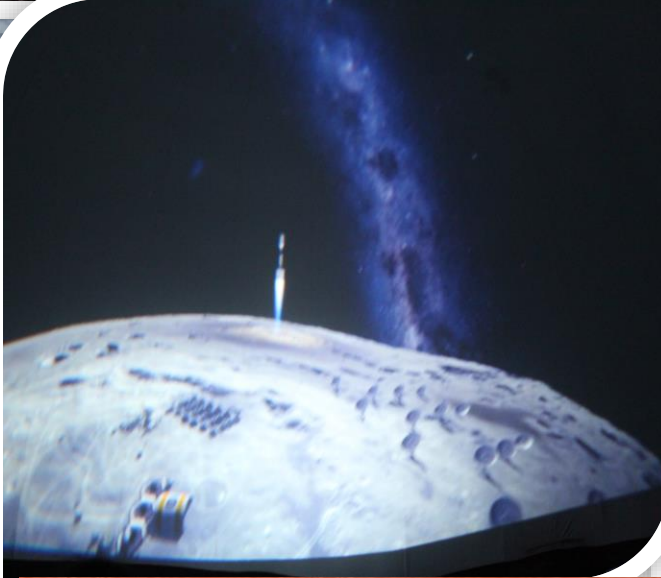

M. Visvesvaraya Industrial & Technological Museum

The trip to the Visvesvaraya Museum was fun! Students learnt the various concepts of science related to engines, force, energy, space technology, electronics and engineering through live models. They also had the opportunity to learn about energy production through various natural resources and thereby conserving the fossil fuels. Over all it was a learning experience of the concepts taught in class.

In campus Planetarium

Vega planetarium presented an incredible show displayed of the universe. Our children enjoyed the presentation and gathered lot of information. They were two different shows for the appropriate age level. End of the day we have many students inspired to become a Scientist or an astronaut!
