" It is observed that the need to eliminate the stigma and advance awareness and treatment of mental illness has never been greater. This day reminds you that whatever you are going through, you are not alone. too often we think that we are the only ones facing a hard time. It's uplifting to know that other people have gone through it and made it out to the other end. It reminds you that you can overcome your own pain".

SWACHH BHARAT

Our honorable prime minister, Mr. Narendra Modi has initiated a clean-up drive all over India, and our school, Vishwa Vidyapeeth has successfully implemented the same with lot of enthusiasm and vigour. Students at middle school have helped clean up the grounds of the school by plucking out weeds and sweeping the dried leaves. They also made sure the bins were well maintained and in hygienic conditions. It was a great attempt by the middle school students to experience and implement the policy of Swachh Bharat in action.

I AM A LEGEND ON MY OWN

Yeah I got tired of being told
I got tired of being cold
I got tired of being old

Yeah its time to make a roar
Its time to make a war
Oh hey its time to listen no more
Its time to use my brain

I am the new rise roar and that's
never getting old

Because

I am a legend on my own
I am coming for your throne
If you are thinking I am wrong
oh hey I am over your taunts
because

I am a legend on my own
Am a king on my own
Not a loser anymore
Just think I play bold

Oh hey won all the award , won
all the heart
Won all the game did beat it
But that no more gonna work
when I am a man on my mission
Oh hey you know i just want tour

If you ignore I will win it and
that's for sure

I am a legend on my own
I am coming for your throne
If you are thinking I am wrong
oh hey I am over your taunts
because

I am a legend on my own
Am a king on my own
Not a loser anymore
Just think I play bold
