Handwriting Competition

An intra-class English handwriting competition was conducted across classes 1- 10 at Vishwa Vidyapeeth. The objective of this competition was to Encourage the students to improve their calligraphy skills. The competition had two rounds with void time and rubrics of judgement.

Handwriting is an essential skill and important exercise for students to encourage them to develop fine motor skills and confidence in any presentation in their life endeavours. It activates the brain and contributes to reading fluency. It enabled them to display their competency of legible writing and the response was very overwhelming.

"Handwriting is the mirror of knowledge"

ANNADHATHA SUKHIBHAVA

The Zero Hunger Challenge was launched by United Nations as a part of the Sustainable Developmental Goals and they rightly described it as the first priority of human existence. At Vishwa Vidyapeeth, we believe that achieving this goal is our “Shared Commitment” and they worked as partners with parents to take forward this global movement.

HUMAN SPACE FLIGHT EXPO 2022

A visit to the Jawaharlal Nehru planetarium to celebrate ISRO's advancements towards human space exploration was organised for schools in Bangalore, of which Vishwavidyapeeth School was also a part of. The students were thrilled to be a part of the Human Space flight expo 2022 and also witnessed exciting events, live sessions and demonstrations.

These young astronauts came in their uniforms with smiles on their faces to participate in poster presentations, drawing competitions, interactive workshops, sailplane modelling and posed relevant questions during the live lectures. Varnika, a student of class 4 participated in a painting competition and secured 8th position, among 100 contestants. The event surely left a lasting impression on these young minds, an overwhelming experience they will remember forever.

Ever wondered how would it be if we parents could be kids again?? If we could cry, laugh, fight with the same enthusiasm and energy as our kids...

One such platform was given by Vishwa Vidyapeeth to all the Parents', that was Khelotsav, an exclusive sports event for Parents !!!.

An event that makes you crave and want for more... 700+ participants speak volume about the of VVP enthusiastic parents who have become the real role model of our kids.

The event saw a huge array of parents flock the gates of VVP on 16th and 17th July, 2022. It was not just a sports event, but a fantastic scaffold for many parents to know each other, get acquainted with the teachers, principal and staff.

We had parents compete in a total of 8 sports - Badminton, Swimming, Throwball, Football, Chess, Carrom, Jump Rope and Yoga. The two days passed as a wink of an eye with participation from parents of all age groups. For once, we saw our parents shout in excitement for the small wins, big throws, fight it out, compete with the same zeal as our young students. The amazement of the craze to win by a 51-year-old and a 30-year-old seemed the same at every point of the event

THIS EVENT WILL DEFINITELY BE ETCHED AS ONE OF OUR MOST BEAUTIFUL MEMORIES!! THANK YOU DEAR PARENTS...FOR GIVING US THESE WONDERFUL MOMENTS TO FALL BACK ON...FOR THE YEARS TO COME.....

CULTURAL DANCE PERFORMANCE

A cultural dance performance was held as a part of the school's cultural day program. The students led the dance with their versatile dance skills, expressions, wearing colourful clothes and swaying with energy. It also provided the students to display their graciousness by embracing teamwork. The purpose was to showcase the cultural diversity through the dances from different states. Participants came in the brightest cultural costume they could find. Overall, it was a fun filled and joyous display of culture and dance.
